JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

supply of milk or cream from any dairy or dairies by a dairy depot, said change must be reported to the board of health in writing.

RULE 41. No milk or dairy depot or bottling room for milk or cream or both shall be conducted within the limits of the city, nor outside of the city when the milk or cream therefrom is intended for sale or use in the city of Oil City, unless said depot shall have been first approved by the board of health. All dairy depots or bottling rooms shall have the name of the depot or the owner or owners thereof plainly marked on the front of such place of business, together with the number of their permit issued by the Oil City Board of Health.

RULE 42. The following rules shall govern the condition of the storage or bottling room of all dairy depots:

(1) The floors shall be water-tight and the drainage therefrom shall be connected to properly trapped sewers, and no water shall be permitted to stand or accumulate under the floor.

(2) The room shall be properly ventilated and lighted.

(3) The locality shall be free from noxious odors.

(4) Nothing else, except butter or eggs, shall be kept or stored in said room with milk or cream or both.

(5) All windows and doors shall be properly and securely screened.

RULE 43. When it is not possible to have an inspection made of a dairy which desires to sell or ship milk into Oil City, the board of health may issue a temporary permit to such dairy or dairies, which permit shall remain in force until an inspection of such dairy or dairies can be made.

[Regulations board of health adopted Oct. 18, 1911.]

YONKERS, N. Y.

DISEASED AND DEAD ANIMALS.

SEC. 104. No animal affected with an infectious or contagious disease shall be brought or kept within the limits of the city of Yonkers without a permit from the health bureau. No animal having the glanders or farcy shall be kept, used, retained, or permitted within said city.

SEC. 105. It shall be the duty of every veterinary surgeon who is called to examine or professionally attend any animal within the city of Yonkers having the glanders or farcy, within 24 hours thereafter to report in writing to the health bureau the following facts, viz: First, a statement of the location of such diseased animal; second, the name and address of the owner thereof and of the person in whose possession the same may be; third, the type and character of the disease. It shall be the duty of every owner and person in possession of any such animal upon discovery of the fact that it is affected with glanders or farcy to immediately report the fact to the health officer and to remove or dispose of such animal in the manner designated by the health officer.

SEC. 106. No person shall leave in or throw into any public place, street, or water or offensively expose or bury the body, or any part thereof, of any dead or fatally sick or injured animal; and no person shall keep any dead animal or offensive meat, bird, fowl, or fish, in a place where the same may be dangerous to life or detrimental to the health of any person.

SEC. 107. Every person having a dead animal or any animal diseased past recovery or sick with any contagious or infectious disease on his premises in the city of Yonkers, and every person who has in his charge or under his control any animal which has died of any contagious or infectious disease in any street or place in said city, shall at once remove, or cause to be removed, every such animal, and dispose of the same as the health officer may direct.

SEC. 108. Any animal being in any street or public place in the city of Yonkers, and appearing in the estimation of the health officer (and of two discreet citizens called by him to view the same in his presence) injured or diseased past recovery for any useful purpose, and not being attended and properly cared for by the owner or by some proper person having charge thereof for such owner, or not having been removed to some private premises, or to some place designated by the health officer within one hour after being found or left in such condition, may be deprived of life by the health officer or as he may direct; and shall thereafter, unless at once removed by the owner or person having charge thereof for the owner, be treated as any other dead animal found on a street or public place.

[Part of ordinance adopted Dec. 26, 1911.]
